It is clear that if the subject voluntarily predisposes himself to be driven by the degenerative values that low frequencies propose,... automatically, he isolates himself by returning to his common destiny.

Be wary of what is reported! Corrupt people easily lend themselves to the invitation of those who want to ridicule the truth and make it unacceptable, utopian, devoid of realism.

It is easy to affirm that this or that doesn't exist, thus concealing truths that can distract men in order to be manipulated by ideologies that divide instead of uniting, that set brother against brother, that destroy instead of building the precious good of peace, concord and justice among the peoples of the earth.
