Confusion reigns supreme and the destabilizing allurements of moral, material and spiritual virtues overwhelm the spirits, making them blind and deaf. It will not be so you, who have placed your hearts and souls in the truth of the promises made by the Genius of Love. The astral Brothers greet you with all their Divine Love.

We wish you to understand our unlimited possibilities in being able to enter into perfect communion with you and be one with the astral body that you possess. It is the perfect union between the lower ego and the higher ego. It was this process that divinized Jesus by Christifying him and making him man - God or living God.

Do not delude yourself that the game is over with the end of physical life. It is with the end of life that the impact with the truth begins. If you have lived with wisdom and sagacity, with humility, patience and love, you will find this after death. Then you will have won and paradise will be your eternal homeland.
