We have specific tasks to fulfill, and these tasks are mainly aimed at making you understand that your spiritual, moral, social and economic misery will lead to

This generation towards a catastrophic process, with unimaginable self-destructive consequences.

There are seven planes of consciousness in the universe, and ours, as we have already said, is the minor of the majors. Our work fully satisfies our spiritual needs and makes us aware of future works that we will accept with grace and humility, being works of eternal glory.
